

~~SECRET~~

22 April 1986

MEMORANDUM FOR: Chief of Operations, OC

FROM:

[redacted]
Chief, Management and Plans Staff, OC

25X1

SUBJECT: Weekly Staff Notes, 13 - 19 April 1986

1. Satellites:

a. [redacted] attended several sessions of the special Military Satellite Communications (MILSATCOM) Panel tasked with preparing options for implementing an extremely high frequency (EHF) capability for intelligence and other wideband users. The options were briefed to the Command, Control and Communications Intelligence (C³I) Review Council on 17 April. The Council is chaired by Assistant Secretary of Defense Donald Latham and the Agency is represented by the Director of Communications.

25X1

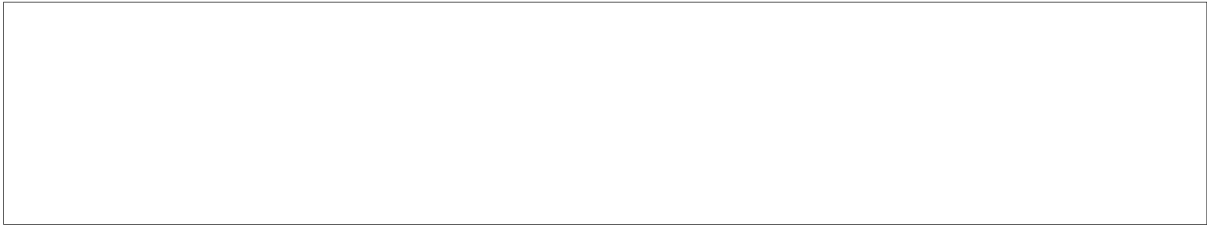

b. On 18 April, [redacted] attended an ultra high frequency (UHF) satellite communications planning meeting at Naval Space Command, Dahlgren, Va. The capacity and access techniques of the follow-on MILSATCOM UHF satellite system were the primary subjects of discussion.
